Further Chilean Correspondence
Sent to Congress.

PERIERA'S POSITION STATED

Blaine Does Not Agree With Montt In Regard
to the Proposition to Submit Mat-
ters to Arbitration.

WASHINGTON, Jan. 28.—The following is
the President's message transmitting ad-
ditional Chilean correspondence to Con-
gress:

"I transmit herewith the additional cor-
respondence between this government and
the government of Chile consisting of the
note of Montt, Chilean minister at this cap-
ital, to Blaine, dated January 23, the reply
of Blaine thereto of the date of January 27,
and the dispatch from Egan, our minis-
ter at Santiago, transmitting the response
of Periera, Chilean minister of foreign
affairs, to the note of Blaine of January 23,
which was received by me the 26th inst. The
note of Montt to Blaine, though dated
January 23, was not delivered to the state
department until after 12 o'clock meridian
of the 24th and not translated and it re-
mains until late in the afternoon
of that day.

THE RESPONSE OF MR. PERIERA
to our note of the 21st withdraws with ac-
ceptable expressions of regret the offensive
note of Matia of the 11th ultimo and also
the request for the recall of Egan. Treat-
ment of the incident is accordingly con-
sidered closed. The note of Periera, Chilean
minister of foreign affairs, to the note of
Blaine of January 23, which was received by
me the 26th inst., though dated January 23,
was not delivered to the state department
until after 12 o'clock meridian of the 24th
and not translated and it remains until late
in the afternoon of that day.

TO OUR NOTE OF THE 21ST WITHDRAWS WITH
ACCEPTABLE EXPRESSIONS OF REGRET THE OFFENSIVE
NOTE OF MATIA OF THE 11TH ULTIMO AND ALSO
THE REQUEST FOR THE RECALL OF EGAN. TREAT-
MENT OF THE INCIDENT IS ACCORDINGLY CON-
SIDERED CLOSED. THE NOTE OF PERIERA, CHILEAN
MINISTER OF FOREIGN AFFAIRS, TO THE NOTE OF
BLAINE OF JANUARY 23, WHICH WAS RECEIVED BY
ME THE 26TH INST., THOUGH DATED JANUARY 23,
WAS NOT DELIVERED TO THE STATE DEPARTMENT
UNTIL AFTER 12 O'CLOCK MERIDIAN OF THE 24TH
AND NOT TRANSLATED AND IT REMAINS UNTIL
LATE IN THE AFTERNOON OF THAT DAY.

WASHINGTON, Jan. 28, 1892.

TO BLAINE:

LEGATION OF CHILE,
Washington, Jan. 23.

"Sir—I have the honor to receive your
note of yesterday with an enclosure
which you are kind enough to transmit to
me as the instructions sent to Egan on the
21st. In the conference with which you
have been pleased to favor me I have in-
formed you that I considered that the oc-
currence of the events of October 15 at
Valparaiso, which my government most
sincerely deplored, the judicial authorities
conducted an investigation necessary to
throw light upon the facts and to detect
and punish the guilty parties. From an-
tecedents which the government of Chile
has been able to collect in every respect, it
appeared that the disorder began with a
quarrel among drunken sailors, which
assumed considerable proportions, owing
to the condition of the locality in which it
originated, and the police performed their
duty by re-establishing tranquility and
placing the persons who seemed to have
been concerned in the disorder at the dis-
posal of the courts. The government of
Chile has no data authorizing it to think
that the quarrel due to any dislike of the
uniform of the United States or that the
police failed to perform their duty. On the
contrary it is a well demonstrated fact
that sailors got drunk when they got ashore
after having been on board their vessel for
a long time.

THIS IS ALSO QUITE NATURAL.

"The intoxication of seamen and the af-
frays to which it gives rise, although they
may assume serious proportions and oc-
casionally very lamentable offenses, are, un-
fortunately, very common at Valparaiso on
the 15th of October, and it is not possible
to the nation in whose services are the men
who have taken part in the disorder, al-
though they certainly do not justify the
offenses committed during the disorder.
The government of Chile could not, how-
ever, form a final opinion concerning the
nature of the occurrence in question, or as
to whether the police had acted properly
participated therein, or had failed to
perform its duty, until the termination
of the judicial inquiry initiated without de-
lay and which was pushed forward as
speedily as compatible with the provisions
of the law. With the obligations of col-
lecting all the elements of proof that it
was possible to collect in order to throw
light upon the matter, and with the neces-
sity of punishing the perpetrators of the
outrage which had been committed and
which had been in the service of a friendly
nation, it was the desire and duty of the
government of Chile to discover the truth
in order to make its future procedure more
informed and in order that the United States
government might be satisfied that nothing
had been neglected in order.

TO DO FULL JUSTICE.

"You were pleased, with your high sense
of rectitude, to permit me to state the
procedure of the government of Chile was
correct, and although you desired the ju-
dicial investigation might be brought to a
close with as little delay as possible, you
understood it was necessary to carry out
proceedings, which are not as rapid in
Chile as in the United States, should be
held.

"I have taken occasion at sundry times
to inform you of what the Chilean authori-
ties were doing to bring the investigation to
a close. In the criminal trial held at Val-
paraiso, not only have landmen been
heard, but also seamen of the Baltimore;
both have been confronted with each other;
reports of physicians and experts have
been called for; the question of the surgeon of
the cruiser likewise has been invoked, and
in a word, nothing has been neglected that
could tend to bring the whole truth to
light. The seamen of the Baltimore made
their statements with the assistance of
AN INTERPRETER DESIGNATED BY THEM-
SELVES,

who was an officer of the cruiser, so that
the oath taken by the witnesses, their con-
frontation with each other, the reports of
experts concerning the wounds, and a hearing
granted both Chileans and Americans, so that
all might prevent their complaints and charges
and be heard in their own country, and a
contestable authority to the trial held at
Valparaiso.

"In the course of the conferences we
sometimes considered a case in which the
government of the United States and that
of Chile should have agreed when the in-
vestigation should be terminated and the
two governments should have formed their
final opinion, and we agreed arbitration
was the best means of settling the diffi-
culty, and advancing farther in this con-
sideration, we even formally agreed that
the differences that might arise should be
submitted to arbitration. This agreement
to accept arbitration has been the basis
of our conference, especially in the case
of the 15th inst., and no antecedent or
fact interfering therewith has come to my
knowledge. On the contrary I took occa-
sion to inform you on several occasions
that my government has authorized me to con-
clude an agreement looking to arbitration and my
government subsequently approved the
agreement concluded by me with you, which
I also informed you. As the criminal
trial initiated at Valparaiso has not come

to end, my government has not yet been
able to reply to the demands of the United
States.

"The various documents and antecedents
to which I have called your attention in
my foregoing communications were de-
signed to inform the United States govern-
ment of the progress of the judicial
investigation and of the facts thereby il-
lustrated; they do not, however, constitute a
reply to the demands of the United States
government. The facts are definitely stated
in the sentence which must be pronounced by
the courts. The testimony which the govern-
ment of the United States has caused to
be taken in California from the crew of the
Baltimore

CANNOT TAKE THE PLACE OF THE TRIAL
being held at Valparaiso, where the of-
fense was committed. The testimony may
be useful for disciplinary or administrative
purposes, but it cannot serve as the basis of a judicial
sentence, either in Chile or the United
States. The copy which I have today had
the honor to send you is a statement made
by one of the seamen of the Baltimore
made at Valparaiso, shows that the sea-
men made no charge against the police.
The charges which I address here, in the
absence of the accused parties in con-
tradiction of his first statement, and
have no value either in law or in fact. You enlightened opinion
it is to be observed, moreover, that the
statement made by this seaman at Val-
paraiso is attested by the judge, by the sig-
nature of the interpreter, who was an officer
of the Baltimore who had been appointed for
the express purpose of inspiring deponents
with confidence.

"You were pleased to state in your in-
structions to Egan that the undersigned
has not communicated to the United States
government the note representing to him by
Matia on the 11th of December last. The
first time the honorable secretary of state
sent it to call my attention to the afore-
said note, I told him that not only con-
tained instructions addressed to my Matia,
and that as I had not been directed to
communicate it officially to the depart-
ment, it was not my business to do so. It
was not my business to do so without the
honorable secretary.

SHOULD TAKE COGNIZANCE OF IT.

I further reminded you that a doctrine
established by the American government
that documents exchanged between the
President and Congress, or between the
department and Congress, are not consid-
ered as communications to the United States
in foreign countries, could not form the subject
of discussion for foreign governments. I also
told him that the note of the 11th of Decem-
ber was highly indiscreet on the part of the
President and secretary of the navy in im-
puting them of untruth and insincerity.
The note of the 11th of December was a
conditional or contingent policy which you
offered. It could be apologized for.

ONLY BY A FRANK WITHDRAWAL.

You always contended it was a communi-
cation between officers of your government
and that it was not proper for this govern-
ment to take any cognizance of it. You
quoted the well known declaration about a
communication to Congress not being sub-
ject to criticism in a foreign country. You
said that the note of the 11th of Decem-
ber was a communication to Congress, and
that all the legations of Chile requesting
its several ministers to publish it, so that
the United States government should be
cognizant of it, but for its publication
throughout the civilized world. That you
did not comply with Chile's request to pub-
lish it here is the best proof of your own
disapproval of the note.

"In regard to Egan, you complained
many times and very bitterly to me espe-
cially that he was not communicating to
you the brutal murder of some young
men who were slain by order of
the government. I told you that I was
pleased to receive your communication, and
that I was sorry to hear of the murder.
I told you that I was sorry to hear of the
murder, and that I was sorry to hear of
the murder. I told you that I was sorry
to hear of the murder, and that I was
sorry to hear of the murder. I told you
that I was sorry to hear of the murder,
and that I was sorry to hear of the murder.
